I also reviewed only the changes made to the SR based on the change log. The changes to Table 5A-3 look good to me. I'll focus on the DPH.

Mclaughlin, Stephanie

I concur with Ed. Also I did not review the entire SR.

Edward A. Guinness

I looked at the changes made to the Standards Reference (Table 5A-3) and it looks fine to me. I am not going to review the entire standards reference so that I can spend more time on the DPH given that the revisions there are major.
