Subject: Build 8a Documents Ready for Review

Dear Document Review Team:

The Document Writing Team has produced the draft documents for build 8a for your review and comments. This includes:

- Concepts Document
- Data Providers Handbook
- Standards Reference

Please provide comments by September 8 so the team can address the comments and prepare the documents as part of the release.

Thanks to the hard work of the Document Writing Team in preparing these documents and to the Document Review Team for supporting the review.

Dan
