Folks -

Over the holiday Emily sent me a new SCR that was unanimously passed by the DDWG so an e-vote has been suggested. However, as always, anyone is free to ask for a telecon to discuss this change request. The SCR for our consideration is:

[CCB-227](#) - Missing Requirements in Source_Product_External

Votes are due by 10 am PDT, Tue Jan 8.

However, if a telecon is needed for discussion of one or more of these items, please make that request to me by Friday, Jan 4 so I can send out the announcement.

Thanks,

-Steve-
