Folks -

Emily sent me a new SCR on Dec 24, during the UCLA closure, that needs our review and votes. There were 2 DDWG reps not present (IPDA and NAIF) for the voting and an abstention (SBN) so this vote was not as clean as some of those in the recent past. Please look this SCR over and let me know if anything requires our discussion by telecon. Otherwise, let's try to have all of the e-votes in by 11 am PST Friday, January 10.
