Folks -

This morning Emily sent me four new SCRs that need our votes. As you can see from the vote tally's below, these are not controversial changes and an e-vote should be sufficient. However, if a telecon is needed for discussion of one or more of these items, please make that request to me by Thursday, Jan31 so I can send out the announcement and arrange a telecon/WebEx line. Votes are due by 10 am PDT, Fri Feb 1.
