Dear all –

One SCR is ready for our consideration. Please post comments to JIRA.

Consent item

- [CCB-183](#) IM contradicts SR on how many stewards to a namespace

Consent on this SCR indicates agreement to close the SCR as a non-actionable item. Note that this SCR was judged to be without merit during the triage stage. Although not required, the DDWG reviewed the SCR and also found that the SCR has no merit.

Deadline for comments by CCB members is Tuesday, 06 June, 17:00 UTC.
