Folks -

This afternoon Emily sent me three new SCRs that need our votes. As you can see from the vote tally's below, these are not particularly controversial changes and an e-vote should be sufficient. I am on travel next week so if we need to have a telecon to discuss an issue, that will have to wait until June 18th when I return. Assuming that we proceed with an e-vote, votes are due by 10am PDT on Tuesday, June 11.
