Hi CCB,

We have a couple SCRs ready for consideration this week both minor (as has been reported to me). We will handle these as consent items — NO VOTE necessary.

PLEASE review and post comments on JIRA - If there are any major issues with these we can pull them back for full vote.

I'll close discussion around **NOON MDT on Tuesday (7/14)**.

Thanks,
-Lynn

Tracking should now be on for the following:
