Folks -

This morning Emily sent me one new SCR that needs our vote. As you can see from the vote tally's below, these are not particularly controversial changes and an e-vote should be sufficient. I am taking vacation Thursday/Friday this week so votes are due on Monday July 22. However, if a telecon is required to discuss this item, that would occur on Tuesday the 23rd. Feel free to send me votes early as this is a fairly simple change request.
