Hi CCB,

We have one item for consideration next week. As a response to the questions about #4 listed on CCB-120, we've pulled it and put it in a separate SCR because it is modifying a class and we should vote on that.

SO - E-VOTE for next Tuesday. PLEASE comment as necessary on JIRA. Please send your votes no later than Noon (12:00) MDT, Tuesday, July, 21, 2015.

Thanks,
-Lynn

CCB-123: Augment Product_Service with Service class
