Folks -

This morning Emily sent me one new SCR that needs our vote. As you can see from the vote tally's below, this is not a particularly controversial change and an e-vote should be sufficient. I am taking vacation Mon/Tues next week so votes are due on Wednesday July 31. However, if a telecon is required to discuss this item, that would occur on Tuesday, August 6 at our normal time. Feel free to send me votes early as this is a fairly simple change request.
