Folks -

Emily has sent us two SCRs to consider and recommends an e-vote. The SCRs passed without dissent, although there was an abstention on 289. Please review the SCRs and send me your vote by 10am Friday July 31. As always, anyone is free to request a telecon to discuss this change request. If a telecon is requested, we will hold it on Tuesday, Aug 4 at our normal meeting time.
