Folks -

This morning Emily sent me two new SCRs that were unanimously passed by the DDWG so an e-vote has been suggested. However, as always, anyone is free to ask for a telecon to discuss this change request. The SCRs for our consideration are:

[CCB-195](#) - Update Information Model to Improve International Interoperability

CCB-240 - Add Units\_of\_Energy as a unit of measure

Votes are due by 10 am PDT, Tue Nov 27.

I'm giving extra time for this vote since next week is the Thanksgiving holiday and some of you may be traveling earlier in the week. However, if a telecon is needed for discussion of one or more of these items, please make that request to me by Wednesday, Nov 21 so I can send out the announcement.

Thanks,

-Steve-
