Hi CCB,

Special Holiday Edition of the CCB.

Please review **CCB-96** (<https://pds-jira.jpl.nasa.gov/browse/CCB-96?jql=>) and **CCB-98** (<https://pds-jira.jpl.nasa.gov/browse/CCB-98?jql=>).

Post comments on JIRA as necessary. I'd like to have an **E-Vote** on both by the end of the year. SO — 31 Dec 2014 at the latest — I'll send out results around New Years.

These are in response to those we voted down in the last meeting — mainly geared toward PPI finishing up labels for MAVEN.

It will be good to have this out of the way when we get back after the holidays.

Have a safe holiday season!

Hope to hear from everyone soon.

THANKS for all you do!

-Lynn
